

Spay Illinois Pet Well Clinics, Inc.

General Spay/Neuter Pricing Structure

To book an appointment for your pets spay or neuter surgery, please **call (630) 961-8000**. Certain requirements and restrictions may apply, so be sure to call for full details. The information below represents our general pricing structure and can vary on circumstance.

Canine Spay & Neuter

- 1) Is your dog over 6 years of age?
 - a. If the answer is yes, you must begin by scheduling an appointment to receiving pre-operative bloodwork prior to surgery.
 - b. Pre Operative bloodwork is available on Thursdays for \$40
- 2) How much does your dog weigh?
 - a. Due to equipment restraints, we are currently unable to perform surgery on all dogs weighing over 100lbs.
 - b. Pets must weigh at least 3 pounds in order to be admitted for surgery.

Female Spay		Male Neuter	
3-50lbs	\$115	3-50lbs	\$90
51-75lbs	\$130	51-75lbs	\$100
75-100lbs	\$140	75-100lbs	\$120

Feline Spay & Neuter

- 1) Is your cat over 8 years of age?
 - a. If the answer is yes, you must begin by scheduling an appointment to receiving pre-operative bloodwork prior to surgery.
 - b. Pre Operative bloodwork is available on Thursdays for \$40
- 2) How much does your cat weigh?
 - a. Pets must weigh at least 3 pounds in order to be admitted for surgery.

Female Spay or Male Neuter	\$50
Feral Cat Package (surgery, rabies, ear tip)	\$40

* We also offer optional IV Catheter & Fluids during surgery for an **additional \$24**. This option provides added hydration during surgery and can be selected upon check in.
